

IDEA State Complaint Resource Center

Your guide to effective state complaints under the Individuals with Disabilities Education Act (IDEA)

www.ISCRC.org

The new IDEA State Complaint Resource Center provides information and resources on use of the IDEA State Complaint process to resolve disputes in special education. Here's what you'll find:

- *Information on the IDEA State Complaint process, including the basics, tips for advocates, strategies for addressing systemic noncompliance, limitations and more.*
- *Podcasts, videos and webinars featuring parents, special education advocates and attorneys.*
- *State-by-state data on number of complaints filed in recent years.*
- *Direct links to the state complaint section of every state department of education website.*
- *Sample complaints on a variety of issues and links to state complaints available on several state dept. of education websites.*
- *Ways to share a complaint and spread the word.*

The **Advocacy**
INSTITUTE

www.AdvocacyInstitute.org

“Through its Part B State complaint procedures, each State has a powerful tool to address noncompliance with Part B of the IDEA and its implementing regulations in a manner that both supports and protects the interests of children and their parents and facilitates ongoing compliance by the State and its public agencies with the IDEA and implementing regulations”

U.S. Dept. of Education, 71 FR 46601 August 14, 2006).
